As you know, to run this site i must spend extra cash for rent the web server , vps server, and to purchase an EA. Because some EA developer wont give their EA for free, even for a demo.

But it is my commitment to share this knowledge to all of you. So as for return, i would be so happy if you support this site by click my referral link if you interest with any EA listed in this site. You could also visit my sponsored link, supported by Google Adsense. And finaly you could donate some extra cash from paypal.

please contact me victor@automatictradingmastery.com if you need more details.

Happy Trading to you all !

Victor Iwan
